DESCRIPTION

Celler La Botera’s vermouth is characterized by an herbal aroma that adds a particular elegance to cocktails and appetizers. It is not just a drink, but rather a way of enjoying life’s simple pleasures, a link between friendship, family and nature.

The 75 cl bottle is vintage-style, just like our traditional formula, a secret kept in time.

TASTE

This drink is a balance between sweet, bitter and sour flavours, giving the consumer a harmony of tastes on the palate and in the nose.
