RUBO

LOCATION

Country: Spain

Denomination of origin: Terra Alta

Processing centre: Batea

VARIETIES

100% red Grenache

VINIFICATION

Pellicular maceration and subsequent fermentation of the saignée

AGEING

Young

TASTING SHEET

DESCRIPTION

Single-varietal wine made with Grenache. A short pellicular maceration is performed at a low temperature to obtain the colouring, but without allowing the bitter part of the skin to be released. The unpressed must is then drow of and fermented at a controlled temperature.

TASTING

A wine with an attractive cherry colour with violet hues, lively, clear and bright.

An aroma of sweet red fruit such as watermelon combined with floral aromas.

Fresh in mouth. A wine that is well balanced with its unctuousness. It invites us to have another glass.
